Many clients complain that they **NEVER RECEIVE a response e-mail**. This is because e-mails fall into **SPAM FOLDERS**, or mass-email or inbox folders. In order to avoid this issue, we recommend adding the following addresses into your address list:

admin2@gcitrading.com, jacques@gcitrading.com,
admin@goldstarway.com and techsupport@goldstarway.com.

The screenshot shows the GCI Financial registration interface. At the top, the GCI Financial logo is on the left, and a 'LIVE HELP CHAT HERE' button and the phone number '1 800 604 2457' are on the right. A progress bar below the header shows four steps: 'Step 1: Choose Account Type', 'Step 2: Trader Information', 'Step 3: Disclosure and Agreements' (which is the current step and highlighted in blue), and 'Step 4: Confirmation and Account Funding'. The main heading is 'Disclosure and Agreements'. Below it is a section titled 'Consent to Conduct Business Electronically and Risk Disclosure' containing four numbered points: 1. Applying Electronically, 2. Electronic Communications, 3. Executing Transactions Electronically, and 4. Consenting to Do Business Electronically. Below this section is a checkbox labeled 'I have read the Consent to Conduct Business Electronically and Risk Disclosure and agree to the terms and conditions therein.' with a 'Printable Version' link. The next section is 'Trader Account Letter and Trader Agreement' containing a paragraph about the legal contract and two numbered points: 1. OTC is not traded on a regulated exchange, and 2. Trading in OTC is suitable only for those sophisticated institutions or sophisticated participants. Below this section is another checkbox labeled 'I have read and understood the Trader Account Letter and Trader Agreement and agree to the terms and conditions therein.' with a 'Printable Version' link. At the bottom right are two buttons: 'PROCEED' (orange) and 'CANCEL' (grey).

2. Sending a copy of your passport, personal ID card or driver's license and of a document confirming your address

Please scan or take a picture of your **passport** (the page with your picture) or of your **personal ID card** (both sides) or of your **driver's license** and send the scan or picture to admin@goldstarway.com, along with a document confirming your address - **the document confirming your address must not be older than 3 months**. The document can be any invoice for utilities (phone, water, gas, electricity, TV, or a bank statement: the scan must be complete, not cropped => the entire page of the document which shows your full name and your current address as well as a date no older than 3 months must be visible.

The login data – login details – for your Live account usually arrive within 1-3 working days from sending the ID and the document.

3. Sending funds – for current and new accounts

Further, you need to send at least EUR or USD 1,000 to your new or existing Live account. For safe and profitable trading, however, we recommend trading with an amount of at least EUR or USD 2,000, better yet, EUR or USD 5,000-10,000.

Only that way, you can safely control your finances!

The money can only be sent from an account to the same name as the name stated in the Live account registration.

Wire transfers from third parties are not permitted, neither for deposits, nor for withdrawing. This secures the funds transfer safety.

Sending funds using wire transfer

This is the electronic wire transfer of your bank. This type of transfer usually takes 1-3 working days. After your funds arrive at the GCI bank account, they are normally posted to your Live account within 1 day.

Every bank uses a different Internet banking system, slightly different procedures for filling-in forms for international payments.

If you are not sure on how to complete the form, **please contact your bank.**
